Real People, Real Recovery

Utah's 7th Annual

Recovery Day

Utah Recovery Day is an annual celebration that brings together community members, families, civic leaders and individuals in recovery. The day is filled with games, activities, entertainment, prizes and food. Best of all, it's absolutely free!

Recovery Day is an excellent opportunity to become a member of Utah Support Advocates for Recovery Awareness, whose mission is to celebrate recovery, identify and advocate for services, and decrease stigma through education.

You can become an advocate for recovery in our local community by attending Recovery Day with your family and friends. Together we can end the stigma associated with substance abuse.

For more information, please visit our website at
